### ERRATA SHEET FOR HAMPSHIRE TOUCH DRIVERS REV. 6.20CS

---

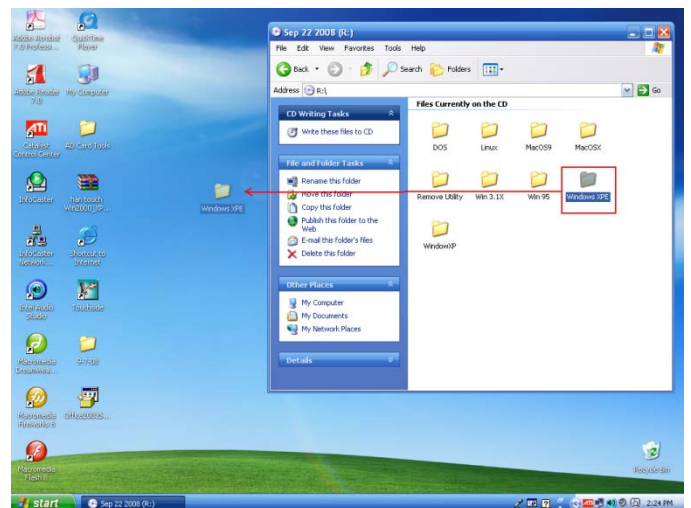

SYNOPSIS: Due to files not opening properly from the CD, you must first copy the driver installation files directly to the computer before installing the Hampshire touch drivers.

---

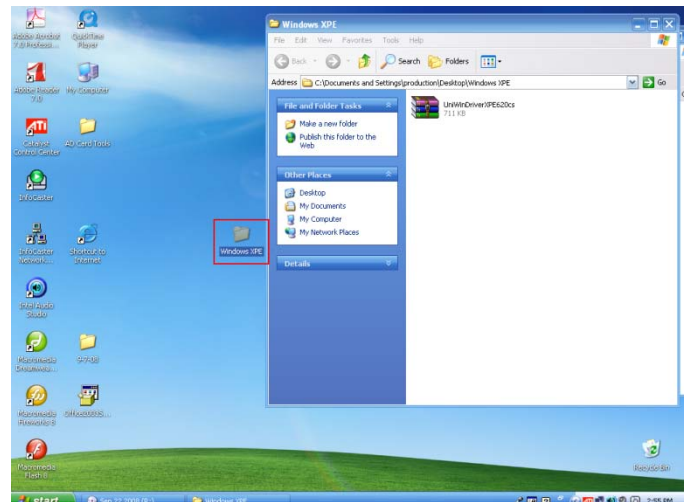

Place the CD into your drive and browse the CD.

According to the operating system you are using, drag the corresponding file onto your desktop.

Open the folder you dragged to your desktop. Next, unzip the file to the location of your choice.

Open the unzipped folder and run the installation file.
